World Vineyard AUSTRALIAN SHIRAZ/MOURVÈDRE

Style: Australia's extreme heat and sunshine makes for intensely ripe grapes, and Shiraz and Mourvèdre respond perfectly to it. The small, thick skinned berries of Shiraz are deep blue-black in colour and high in extract and flavour. Dense tannins, brisk acidity, and rich colour help Mourvèdre contribute structure and density in the blend. The wine has blueberry, blackberry and spicy notes, with firm tannins and bright fruit to drink well young and also to improve very well with age.

Drink with grilled beef, lamb chops and intense cheeses.

World Vineyard GERMAN TRAMINER/RIESLING

Style: Germany's cool, sunny climate and steep slopes produce grapes with highly concentrated flavours, aroma and body. Blending two of the most aromatic white grapes in the world, World Vineyard's German Traminer/Riesling reveals a combination of floral notes and apple crispness with the perfume of lychee, rose petals, and hints of tropical fruits. The smooth finish and medium body make this a great off-dry wine for sipping.

Great for casual sipping, serve with seafood, pork chops or pasta in cream sauces.
